

## **Recognizing Older Americans Month - May 2017**

02 May 2017

May is recognized each year as Older Americans Month. In May, the Vermont Department of Disabilities, Aging and Independent Living (DAIL) and the five Area Agencies on Aging recognize the importance of Older Americans Act programs in keeping older Vermonters healthy and at home as well as honor the older Vermonters in our communities whose hard work, years of experience and energy are helping build momentum for a strong and vibrant Vermont for years to come.
